

## CHURCH MEETING.

Episcopal Laymen Will Meet in Columbia this Month.

Columbia, Jan. 30.—On the 12, 13 and 14 of February, a Missionary Convention for the Laymen of the Episcopal church in South Carolina will be held at Trinity Church, Columbia, S. C. Bishop A. S. Lloidy and John W. Wood, President and Secretary, respectively of the General Board of Missions of the Episcopal Church in the United States and the highest authorities on Mission work in the Church will have important parts on the program.

Right Rev. Wm. A. Guerry, Bishop of the Diocese, Rev. Edw. W. Patton, Secretary of the Province of Seawance, J. Nelson Peterson, B. F. Finney, southern field secretary of the Brotherhood of St. Andrew and Walter Hazard will all join in making the convention an interesting one.

This convention is the first one of its kind ever held in this state and the executive committee is very anxious to give every male Episcopalian an opportunity to share in its benefits. Every Parish in the state has been requested to make a canvass of its members and to enroll them as delegates and there is no doubt but that there will be a large attendance.

The program consists of conferences during the day with inspirational meetings at night and a mass meeting on Sunday afternoon. A simple supper will be served Friday evening.

There will be a registration fee of one dollar for each delegate who attends. If this fee can be made to cover the cost of the supper as well as the other expenses, there will be no further charge, otherwise, the supper will be a small amount per plate. The registration fee should be mailed in advance to the Treasurer, J. H. Mallory, P. O. Box 504, Columbia, S. C.

The clergy and delegates will be entertained by the church people of Columbia.

All inquiries should be addressed to either Edmund R. Heyward, chairman of the executive committee, or J. LaBrice Ward, secretary. The executive committee consists of Edmund R. Heyward, chairman, Rev. Walter Mitchell, vice chairman; J. H. Mallory, treasurer; J. LaBrice Ward, secretary, and L. A. Emerson, Allen Jones, Jr., Geo. B. Reeves, Julius H. Taylor, Jno. T. Seibels, T. T. Moore, Jr., W. Anderson Clarkson, W. A. Thayer, J. N. Spann, C. W. Jacobs, Jr., LeGrand Guerry, A. P. Brown, J. B. Rodgers and J. K. Abrams.

Convention headquarters have been opened in the Y. M. C. A. building in Columbia and registration committees are canvassing every male attendant in the local parishes. Trinity Church has pledged one hundred delegates. Any male attendant of an Episcopal Church in South Carolina may be a delegate upon payment of the registration fee.

## THE BEST PROOF.

Given by a Laurens Citizen.

Doan's Kidney Pills were used—they brought benefit.

The story was told to Laurens residents. Time has strengthened the evidence. Has proven the result lasting. The testimony is some testimony—The proof convincing.

It can be investigated by Laurens residents. Mrs. J. D. Lewis, 210 Mill St., Laurens, says: "My kidneys were in bad shape, acting too freely. I suffered from severe attacks of backache, my head ached and little specks appeared in front of my eyes. I was restless and mornings always felt tired and worn out. I tried different medicines but without benefit until I took Doan's Kidney Pills. They made me strong and healthy." (Statement given March 10, 1911.)

OVER THREE YEARS LATER, Mrs. Lewis said: "I couldn't ask for better health than I am enjoying now. I give Doan's Kidney Pills all the credit for my cure."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lewis had. Foster-Milburn Co., Props., Buffalo, N. Y.

## LOAN FUND ABANDONED.

Only About \$12,000 Was Taken Up and New York Banks to Handle This.

Washington, Jan. 26.—Unless there is an unexpected increase in the demand for loans the \$135,000,000 cotton fund plan will be abandoned shortly after February 1st. Subscriptions of northern, western and eastern banks will be cancelled, and southern banks and cotton men left to finance the surplus crop in their own way.

Application for loans so far have amounted to about \$12,000, and officials have no reason to believe there will be many more applications before Feb. 1, when the period for making them expires.

The \$12,000 applied for probably will be taken care of by some banks in New York and the other subscribing banks will be released from their pledges.

## PE-RU-NA LAXATIVE TONIC

"I was taken with a severe headache and cold, which finally brought on constipation and bowel trouble. Physics of all kinds were used, and we were obliged to resort to the fountain syringe for help. I could drink castor oil like water, but it did no good. Salts were of no use. The doctors were puzzled. After using three bottles of Peru-na I consider myself entirely well." Mr. John B. Capers, No. 610 Pecan St., Fort Worth, Texas.

Those who object to Liquid Medicine will find Peru-na Tonic a desirable remedy for CATARRHAL CONDITIONS.

CORNS QUIT, PAINS STOP, WITH "GETS-IT"

Quit Plasters, Salves and What-Not's. After using "GETS-IT" once you will never again have occasion for asking "What can I do to get rid of my corns?" "GETS-IT" is the first sure, certain corn-cure ever known. If you have tried other things by the score and will now try "GETS-IT", you will realize this glorious fact.

You probably are tired sticking on tape that won't stay stuck, plasters that shift themselves right on your corn, contraptions that make a bundle of your toe and press right down on the corn. Put two drops of "GETS-IT" on that corn in two seconds. The corn is then doomed as sure as night follows day. The corn shrivels. There's no pain, no fuss. If you think this sounds too good to be true try it tonight on any corn, callus, wart or bunion.

"GETS-IT" is sold by druggists everywhere, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago.
